

A man in a dark suit is standing on a stage, gesturing towards a large screen displaying a presentation. He is facing an audience seated in rows of chairs. The background is a large, modern conference hall with blue lighting and curved architectural elements. The text 'GUIDEWELL' is overlaid in the top left corner.

GUIDEWELL

Matchmaking Summit

The GuideWell Matchmaking Summit's **Investor Showcase** is an invite only exclusive event, that connects health tech innovators, industry thought leaders and healthcare venture capitalists taking place in Orlando's Lake Nona Medical City.

When

August, 30, 2019
8:30AM - 4:00PM ET

Where

GuideWell Innovation Center
6555 Sanger Road
Orlando, FL 32827

What to Expect at the Investor Showcase

The Investor Showcase will provide health-tech innovators the opportunity to present to an audience of health tech investors that include venture capitalists, corporate venture or development professionals, and leaders within established angel groups that actively invest in health technology firms. All parties participating in the Investor Showcase can expect the following:

- ✓ Curated investment
- ✓ Next level meetings and networking opportunities
- ✓ Focused insight that can advance testing, commercialization, financing and adoption of digital health tools

Why You Should Attend as an Investor

- ✓ Access to a pre-vetted portfolio of Scale Up health tech companies competitively chosen on a national level with proven traction
- ✓ Opportunity to conduct short introductory meetings in optimized format
- ✓ Networking with peer health tech investors and key industry stakeholders across the U.S. in a collaborative setting
- ✓ Opportunity to identify unique digital health products and services that can be utilized within their organizations for research, investment, or wider commercial purposes

About GuideWell Innovation

GuideWell Innovation, a subsidiary of GuideWell Mutual Holding Corporation (GuideWell), drives collaborative innovation for the family of forward-thinking companies that make up GuideWell. Headquartered in Orlando's Lake Nona Medical City at the GuideWell Innovation CoRE (Collaborative Resources Ecosystem), GuideWell Innovation focuses on transforming the health system into a more integral and useful part of people's everyday lives by fast tracking the delivery of next-generation health solutions.
